BUSINESS STRATEGY

One Core with Two Wings.

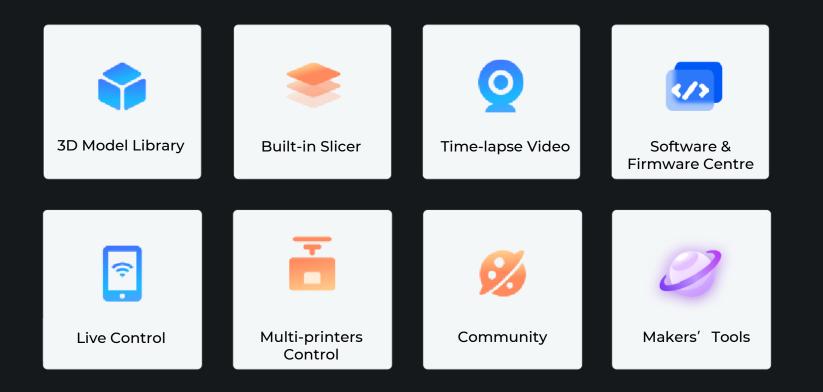

Creality follows the business strategy of "One Core with Two Wings". At the "Core", Creality is offering ever better 3D printers and 3D printing solutions for broader applications. The "Wings" of the ecosystem and Creality Cloud will help the "Core" fly higher and further.

CREALITY CLOUD

An all-in-one 3D printing platform.

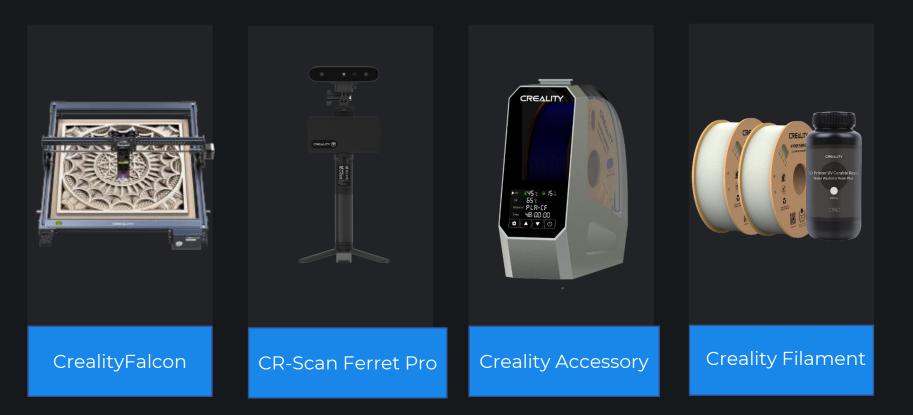

CREALITY ECOSYSTEM

Inspire Ultimate Creative Fun

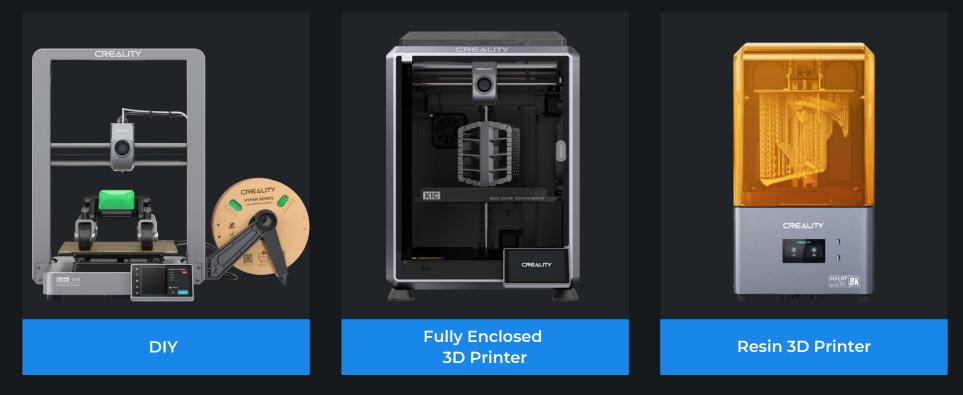

Laser Engraver, 3D Scanner, 3D Printing Accessories, Filament and Resin.

PRODUCT LINES

Global consumer-level 3D printing ecosystem leader and Creator, enabling millions of households to enjoy the convenience of technology and use highquality 3D printers.

USER STORIES

World's Largest 3D Printer Manufacturer.

Sterling American Professor of Physics

KI Max、Sermoon D3 Pro Made a Lamborghini sports car with 16 months spent.

Mark Zuckerberg Founder of Facebook Ender-5 Plus and CR-10S Made a flower, lightsaber, superhero suit, and foil wings.

Julius Maada Bio President of the Republic of Sierra Leone

Ender-3 Pro Used for city modeling and improved the efficiency of strategic decision making.
